Dated: 01st July, 2019

OFFICE MEMORANDUM

Subject: SERB Policy on co-funding of R&D projects from National Laboratories and Research Institutes

The Science and Engineering Research Board, in a process of budget normalization to meet its diversified financial requirements for ongoing and new schemes, has adopted following funding policy for proposals submitted from National Laboratories and Research Institutes:

- i. *The proposals from National Laboratories and Research Institutes should be in line with the mandated research work of the lab/institutions. It follows a certification from the Institute concerned.*
 - ii. *All National Laboratories and Research Institutes should share 50% of the non-recurring cost in all EMR Projects.*
 - iii. *Projects that go to the Empowered Committee (over 80 lakhs), 50% of non-recurring & consumables cost should be shared by National Laboratories and Research Institutes.*
2. The above policy is not applicable to Fellowships Schemes of SERB.
 3. The co-funding policy is effective for fresh call for proposals with effect from 2nd February 2019.
 4. This issues with the approval of Secretary, SERB vide Diary No.2448, dated 28/06/2019.
