

SCIENCE AND ENGINEERING RESEARCH BOARD

Call for Nominations for “National Science Chair (NSC)”

SERB announces second call for nomination for National Science Chair (NSC) for providing opportunities to the scientists and academicians having an outstanding track record. These Chairs are to serve as a benchmark for stature, value and eminence in research in S&T.

The aim of the scheme is to recognise active eminent senior resident Indian scientists for their outstanding contributions both nationally and internationally in the area of Science, Technology, Engineering, Mathematics (STEM) and Medicine, to promote excellence and growth in R&D. The primary objective is to support those senior scientists (> 65 years) who continue to perform at highest level and wish to pursue the research activities. The scheme is being implemented in two modes:

Mode 1- “Science Excellence”

Mode 2- “Science Leadership”

For the eligibility, grant and other terms and conditions of nomination, please refer to the SERB websites <http://www.serb.gov.in/nsc.php> and www.serbonline.in.

Date of Opening: 1 November 2020

Date of Closing: 15 December 2020

The following documents are mandatory for successful submission of a nomination: -

- a) Research Proposal with brief Introduction, Objective, Methodology, Budget and expected outcome (Not more than 05 pages) (*For Mode-1 nominations only*)
- b) Endorsement Letter / Forwarding letter by the head of the Host Institute
- c) Certificate from the Nominee

Please contact us at ns-chair@serb.gov.in for any clarification.

The nominations along with the listed documents above needs to be submitted online at www.serbonline.in this call onwards.
