

Electric Vehicle Mission

Proof-of-Concept

by

Lead Principal Investigator (LPI) & Principal Investigator (s) (PI (s))

Overview

(Comprehensive information on proof-of-concept demonstrations conducted by the LPI/PIs within the proposed Technology Vertical should be given here. Each proof-of-concept demonstration should not be more than 1-2 pages. It must contain the relevant images, data, and the funding source for the respective project. A separate form is required for each Principal Investigator.)
