

ANRF J. C. Bose Grant

Objective:

Anusandhan National Research Foundation (ANRF) announces call for proposals for the new scheme called ANRF J. C. Bose Grant. The ANRF J. C. Bose Grant is meant to recognize active, senior scientists and engineers within our country for their outstanding performance and contributions. The prestigious ANRF J. C. Bose Grant is individual-specific, very selective and encourages senior level researchers for extra-mural funding to further enhance their research in frontline avenues. The nominations for senior scientists and engineers aged 45-65 years and working with Indian institutions/universities may be submitted through the ANRF online portal.

Eligibility:

- The aspirants should be an active and senior scientist/engineer with a record of outstanding performance through indicators like publications, research outcomes, patents, technology transfers, awards, grants etc. in all science and engineering domains (including agriculture, medicine and humanities and social sciences at the interface of science and technology.).
- The applicant should be at the age of 45-65 years by the time of submission of application.
- The nominee should be an Indian national or Overseas citizen of India (OCI) employed working in Institutions/Universities in India at a senior position with sufficient residual official service in India (project duration+1 year) and fulfil the eligibility criteria notified by ANRF (*Norms for OCI to apply for grant in ANRF*).
- The J C Bose fellow/grantee with ongoing fellowship/grant will only be eligible to apply if the date of completion of ongoing fellowship/grant is within 6 months from the date of submission of new proposal for grant.
- Applicants already completed 3 terms as JCB fellow/grantee, whichever is applicable, are not eligible.
- The J.C. Bose grantee is also eligible to apply other grants of ANRF, subject to fulfilling the conditions of that program and funding policy of ANRF.

Nomination:

The nominations can be sent by the Heads of the Institutions/Universities or Presidents of National Science Academies.

Selection:

The process of selection for ANRF J. C. Bose grants will be conducted once a year by a group of technical experts i.e. Search-cum-Selection Committee specially constituted for the purpose and as per the broad guidelines of the grant.

Nature & Duration:

The research grant of Rs. 25 lakhs annually will be provided under two budget heads: A) Recurring Head (covering Manpower, Consumables, travel, contingency and other costs) and B) Non-recurring Head (Equipment) up to 20% of the total grant. Additionally, Rs. 1.0 lakh annually (fixed) will also be provided as "Overheads" to the implementing institution.

The grant shall be awarded for a period of five years. In the event that the awardee superannuates during the tenure of the grant, the award may be continued, subject to the willingness of a host institution to continue hosting the Principal Investigator (PI).

How to apply online:

For successful online submission of the application the following may be noted: The Call for nominations for the ANRF J. C. Bose grant will be notified through the website "www.anrfonline.in". The nominations along with other requisite details of the nominee highlighting the credentials and research work to be undertaken should be submitted only through the website "www.anrfonline.in".

- Nominee need to register in ANRF online portal (www.anrfonline.in) and fill the required details along with details of the nominator.
- After filling the details, Nominee should click on "Send to Nominator" It is the responsibility of the applicant to follow up with the nominators and ensure timely submission of application.
- Nominator would receive intimation via email with a link to ANRF online portal, to view the filled-in ANRF J. C. Bose Grant Nomination form. In any case, nomination should be submitted to through ANRF portal preferably one week in advance or by closure date.
- Nominator can choose to submit the nomination to ANRF or resend the form to Nominee for any revision.
- Once submitted, Nominee and Nominator will receive intimation regarding successful submission.

Frequently Asked Questions (FAQs)

Q1. For whom the ANRF J. C. Bose Grant is meant for?

A1: The ANRF J. C. Bose Grant is meant to recognize active and senior scientists/engineers for their outstanding performance. The grant is individual-specific and very selective.
