

ANUSANDHAN NATIONAL RESEARCH FOUNDATION

Call for Nominations for “National Science Chair (NSC)”

ANRF announces the call for nominations for the National Science Chair (NSC) for providing opportunities to scientists and academicians having outstanding track records. These Chairs are to serve as a benchmark for stature, value, and eminence in research in S&T.

The National Science Chair (NSC) is aimed at recognising active eminent resident Indian superannuated scientists for their outstanding contributions both nationally and internationally in the area of Science, Technology, Engineering, Mathematics (STEM) and Medicine, as well as promoting excellence and growth in Research and Development.

The call for nominations will be implemented in the following two modes:

- **Mode 1: Science Excellence:-** To extend the continuance of support for excellence in R&D activities of eminent senior superannuated scientists who are passionate about research, as evidenced by the S&T output.
- **Mode 2: Science Leadership:-** To recognise outstanding contributions made by any of the resident Indian superannuated scientists towards excellence at the national and global level.

For the eligibility, grant, and other terms and conditions of nomination, please refer to the ANRF website www.anrfonline.in.

Date of Opening: 27 May 2025

Date of Closing: 27 June 2025

The following documents are mandatory for the successful submission of the nomination: -

- a) Research Proposal with brief Introduction, Objective, Methodology, Budget and expected outcome (Not more than 05 pages) *(For Mode-1 nominations only)*
