

**National Postdoctoral Fellowship (NPDF)
and
Overseas Postdoctoral Fellowship (OPDF)**

Considering the number of National Postdoctoral Fellowships (NPDFs) and Overseas Postdoctoral Fellowship (OPDFs) supported by SERB in the earlier calls and to accommodate the fresh NPDF and OPDF prospects, the tenure of the fellowship is restricted to the original terms (two years for NPDF and one year for OPDF); there will be no provision to extend the terms beyond the originally approved fellowship period. This will be in effect immediately.
